

BEAVERCREEK HIGH SCHOOL GIRLS 2010 FALL BASKETBALL LEAGUE

The Beaver Creek High School Girls' Basketball program will be hosting our 11th Annual Girls Basketball Fall League. The games will be played on Sunday afternoons starting August 29th and ending October 24th. All teams will play a total of 7 games on seven Sundays with **no games September 5th (Labor Day) and October 3rd (to accommodate the College exposure tournaments).**

The league will be a total of 12 high school teams (9th through 12th grade). There will be 8-10 girls per team, keeping in mind that only 2 players from each school may play on the same team (OHSAA rule). Space is limited to 120 players and restricted based on OHSAA rules. The talent level and grade will be balanced as much as possible across all teams and a coach supplied for each team. **Several colleges are invited to attend each weekend allowing players to have more exposure.**

Please note, this is not a teaching environment but rather a place for young ladies that have played competitive basketball to get started again for the fall. **FUN**, sportsmanship, fundamentals, 100 % effort, and balanced playing time, while still being competitive, will be the goal of this league.

All participants will be required to conduct themselves in an **appropriate** manner and under the rules of the league. This is a high school league only. Anyone submitting a falsified registration will be dismissed from the league with no refund and will not be permitted to play in subsequent years. The Beaver Creek Athletic Boosters reserve the right to refuse any registration. No refunds will be given after August 8th, 2010.

WHEN: August 29th through October 24th, 2010, no games September 5th and October 3rd.

WHERE: Beaver Creek High School - 2660 Dayton-Xenia Rd.

COST: \$70 per player and includes a numbered jersey. Please make checks payable to: **Beaver Creek Athletic Boosters.**
